

Leggat National Leasing is the proud result of more than 25 years' experience as a **Car Leasing Company**

and

**Fleet Leasing Management Company**

Leggat National Leasing stock a different range of car leasing deals such as personal car leasing, business car leasing, corporate auto leasing and also deals in used car leasing. Our reputation for exemplary customer service in car leasing is the foundation for our viral network of referrals and repeat clients.

Whether your fleet and **car leasing** needs are large or small, we are here to help. Vehicle manufacturers are always presenting attractive new offers and it can be hard to find the best deal for your organization without running from one dealership to another. Leggat National Leasing has a solid background of experience in **car leasing**

and

**fleet leasing management**

, a reliable and extensive supplier network and lots of fleet expertise. Leggat National Leasing is also able to provide

**used car leasing**

for used vehicles. Why not let us do the hard work for you?

At times, leasing a used car might be a better idea than leasing a new one. It might be to save money or to get that rare car immediately. The initial rental amount is very low, to introduce a better budgetary control car lease agreement may also include the maintenance contract. Used car leasing can be the way to go for start-ups, tight budget, a smaller credit and hence lesser money to spend, the used car lease may allow the required or needed vehicle at a much lower expenditure. ?

Do you know that all leases are different? Our professionals will assist you in sorting through the myriad of leasing, servicing and financing products that are on the market these days. Since 1968, Leggat National Leasing has been offering their clients objective product advice, competitive pricing and sound, sensible lease structures that give you piece of mind and free you up to run your business.

We can arrange closed-end or open-end fleet leases for all makes and models across Canada and give you set realistic residual values based on anticipated usage and market conditions. This is all part of Leggat National Leasing's customer focus philosophy. You get reliability and flexibility with our fleet leasing options.
